

Customer Notification

B-CN-358-EN REV A

April 3, 2024

SUBJECT: Haiyan TGS Compressors

Purpose

This bulletin is to inform our customers that the Danfoss factory in Haiyan China will be capable of manufacturing **380V and 400V** TGS compressors (TGS230, TGS310, TGS390, and TGS520). This extends the capability of the Haiyan factory to be able to provide more of the Turbocor® compressor portfolio for the China and surrounding area markets.

The Haiyan production line has been set up to receive orders for **TGS compressors** on February 26, 2024.

Summary

After February 26, 2024, the Danfoss factory in Haiyan China will be able to manufacture new **380V and 400V** compressors for delivery to our customers in China and surrounding areas. These compressors are equivalent to the compressors manufactured in Tallahassee, FL USA except for the Chinese language nameplates and boxes which are for compressors manufactured in Haiyan, China.

Action Required

Customers can begin placing orders for **380V and 400V TGS** compressors (TGS230, TGS310, TGS390, and TGS520) manufactured in Haiyan. The 380V/400V compressors manufactured in Haiyan will have different compressor part numbers from equivalent compressors in Tallahassee, FL USA. Key Account Managers will provide their respective customers with a list of part numbers.

Need Assistance

For further questions, please contact your Key Account Manager or our Product Support group at turbocor.ps.na@danfoss.com or turbocor.ps.eu@danfoss.com for inquiries within Europe.
