

Bulletin | Danfoss Turbocor Compressors

Customer Notification

B-CN-431-EN Rev A

November 10, 2025

SUBJECT: CCMS Tool Update

Purpose

The purpose of this bulletin is to inform our customers of the **release of an update to the CCMS (Compressor Configuration Management System) tool.**

Summary

The latest version of the CCMS tool version 5.0 can be found on our website (www.turbocoroem.com). This application is used to update the configuration on the VT-series compressor and has been updated to improve overall user experience.

Action Required

Navigate to our website <https://www.turbocoroem.com/en/categories-page/compressor-software/> to download the latest versions of this software tool.

Need Assistance
