

Bulletin | Danfoss Turbocor Compressors

Customer Notification

B-CN-413-EN REV B

August 7, 2025

SUBJECT: TT/TG Series Compressor Spare Parts Selection Guide Rev. K.2
****Update****

Purpose

We had an early update to this bulletin. Spare Part Kit 100467 is *not* currently available for purchase. We anticipate a full release of kit 100467 in Q4 2025.

This is to inform our customers that we have **revised the TT/TG Series Compressor Spare Parts Selection Guide**. This version of the Spare Parts Selection Guide includes the newly released TurbocorCloud® kits. We have also updated the Snubber Capacitor kits and included an updated Typecode to include the No I/O Board and No Cable option.

A Chinese version of this manual will be released to our website in the next 3-4 weeks.
