

Customer Notification

B-CN-411-EN REV A

July 25, 2025

SUBJECT: 460V Compressor Options for Haiyan Factory

Purpose

This bulletin is to inform our customers that our **Danfoss factory in Haiyan, China is expanding its compressor offerings to include 460V options as of July 28th, 2025**. This enhancement applies to all current compressor models produced at the Haiyan facility.

This update reflects our continued commitment to meeting global voltage requirements and expanding flexibility for our customers.
